

The 5 D's

Processing your next steps...

The #1 most important & hardest step in making a decision is being SURRENDERED!

Keys to Remember...

- *Context is more important than Calling at this stage of your life*
- *Being apart of a team is crucial*

DESIRES...What do I seem to get excited about? What do I most enjoy? What are my dreams?

DESIGN...What are my gifts? What seems most inline with how I have been wired? What are my unique contributions?

DEVELOPMENT...What are my greatest developmental needs? Where can I be mentored? How does this potential next step align with these greatest needs?

DOORS...What are the open doors available to me and where are the greatest needs? What are the 2 options that I want to pray through?

DEBT...If you are going to have over \$30K in school debt you may want to consider stateside.

Practical Steps:

- Pray
- Make Pro/Con list
- Seek Counsel
- Take a step in faith
